The floating bookfair will open to the public in Kota Kinabalu.

Doulos Hope, with an international floating bookfair, is coming to Kota Kinabalu! Many may remember the visit of sister ship, *Logos Hope*, in November 2011.

They cover a wide range of subjects including science, medicine, arts, languages, faith, hobbies, cooking and sports. With children's titles, academic texts, dictionaries, atlases, and more, a visit to the bookfair is something the whole family can enjoy.

Doulos Hope will open to the public at South Jetty, Kota Kinabalu Port, from Sep 07 until Oct 1, 2023. Opening hours: Tuesday through Sunday: 4:00 – 9:00 pm. Closed on Mondays.

Please visit our Instagram and Facebook pages for more information on when the tickets will be made available. Please note that children must be accompanied by an adult and require their own tickets.
